**INFORMATION CIRCULAR FOR
ANNUAL GENERAL MEETING**

(As at May 1, 2007, except as indicated)

The Company is providing this Information Circular and a form of proxy in connection with management's solicitation of proxies for use at the Annual General Meeting (the "Meeting") of the Company to be held on June 20, 2007 and at any adjournments. Unless the context otherwise requires, when we refer in this Information Circular to the Company, its subsidiaries are also included. The Company will conduct its solicitation by mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company will pay the cost of solicitation.

APPOINTMENT OF PROXYHOLDER

The individuals named in the accompanying form of proxy are directors of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY. A proxy will not be valid unless the completed form of proxy is received by PACIFIC CORPORATE TRUST COMPANY (the "Transfer Agent"), 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9 not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof. Proxies delivered after that time will not be accepted.**

REVOCAION OF PROXIES

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, at Suite 2300, 1055 Dunsmuir Street, Vancouver, British Columbia, V7X 1J1 at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

INFORMATION FOR NON-REGISTERED SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their shares in their own name (referred to herein as "Beneficial Shareholders") should note that only registered shareholders may vote at the Meeting. If common shares are listed in an account

statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in such shareholder's name on the records of the Company. Such common shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which company acts as nominee for many Canadian brokerage firms). Common shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers' clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders. However, its purpose is limited to instructing the registered shareholder (ie. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (formerly ADP Investor Communications Services ("Broadridge")). Broadridge typically prepares machine-readable voting instruction forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote common shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of common shares must be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted.**

This Information Circular and accompanying materials are being sent to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own ("Objecting Beneficial Owners", or "OBO's") and those who do not object to their identity being made known to the issuers of the securities they own ("Non-Objecting Beneficial Owners", or "NOBO's"). Subject to the provision of National Instrument 54-101 – Communication with Beneficial Owners of Securities of Reporting Issuers ("NI 54-101") issuers may request and obtain a list of their NOBO's from intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly (not via Broadridge) to such NOBO's. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

The Company has decided to take advantage of the provisions of NI 54-101 that permit it to deliver proxy-related materials directly to its NOBO's. By choosing to send these materials to you directly, the Company (and not the intermediary holding common shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. As a result if you are a NOBO of the Company, you can expect to receive a scannable Voting Instruction Form ("VIF") from the Transfer Agent. Please complete and return the VIF to the Transfer Agent in the envelope provided or by facsimile. In addition, telephone voting and internet voting can be found in the VIF. The Transfer Agent will tabulate the results of the VIF's received from the Company's NOBO's and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIF's they receive.

The Company's OBO's can expect to be contacted by Broadridge or their brokers or their broker's agents as set out above.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting common shares registered in the names of their brokers, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity.

Beneficial shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.

All references to shareholders in this Information Circular and the accompanying form of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

VOTING OF PROXIES

The shares represented by a properly executed proxy in favour of persons proposed by Management as proxyholders in the accompanying form of proxy will:

- be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken; and
- where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

ON A POLL SUCH SHARES WILL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value (the "shares"), of which 94,532,744 shares are issued and outstanding as at the date of this Information Circular. Persons who are registered shareholders at the close of business on May 1, 2007 will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held. The Company has only one class of shares.

To the knowledge of the Directors and executive officers of the Company, the following beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to any class of voting securities of the Company:

Termination of Employment, Changes in Responsibility and Employment Contracts

During 2006, the Company paid Sirocco Advisory Services Limited, a company owned by an associate of Steven G. Dean, Chairman and Director, and Zeitler Holdings Corp., a company associated with Klaus M. Zeitler, President and Director, \$12,500 per month each in compensation for their ongoing supervision of the operations of Minera Valle Central S.A. ("MVC") and the administration of the Company. In the event of the termination of their respective consulting arrangements upon the change of control of the Company, each will receive a payment equivalent to 2 years of compensation in lieu of notice.

Sirocco Advisory Services Limited and Zeitler Holdings Corp. indirectly receive a royalty on production from MVC, which formed part of the consideration paid by the Company for the acquisition of MVC on July 3, 2003. Particulars of the production royalty paid on MVC's production may be found in the disclosure under the heading "DESCRIPTION OF THE BUSINESS – General – Other Royalties" in the Company's Annual Information Form dated March 27, 2007 and filed on SEDAR at www.sedar.com. The Company incorporates such disclosure by reference into this Information Circular. The Company will promptly provide a copy of the Annual Information Form free of charge to any shareholder of the Company who requests a copy.

Composition of the Compensation Committee

The members of the Company's Compensation Committee are Sidney Robinson (Chairman), Ruston E.T. Goepel and Robert Gayton. This committee is responsible for determining the compensation to be paid to the Company's Board of Directors and executive officers and for reviewing the corporate goals and objectives of the executive officers.

Report on Executive Compensation

The Compensation Committee has the responsibility to administer the compensation policies related to the executive management of the Company, being the President and Chairman. Executive compensation is based upon the need to provide a compensation package that will allow the Company to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy.

Compensation for the 2006 and prior fiscal years has historically been based upon negotiated consulting rates, with stock options and bonus being issued and paid as an incentive for performance. The shareholders have approved a stock option plan pursuant to which the Board has granted stock options to executive officers. The stock option plan provides compensation to participants and an additional incentive to work toward long-term Company performance.

The stock option plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact and/or contribution to the longer-term operating performance of the Company. In determining the number of options to be granted to the executive officers, the Board takes into account the number of options, if any, previously granted to each executive officer, and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the TSX, and closely align the interests of the executive officers with the interests of shareholders. The total number of stock options issued by the Company is low compared to many similar companies.

Bonuses paid to senior executives are based on the Compensation Committee's assessment of the Company's financial and operating performance, as compared to the Company's peers and objectives approved by the Board of Directors.

Performance Graph

The following performance graph illustrates the Company's five-year (to December 31, 2006) cumulative total shareholder return (assuming reinvestment of dividends on each dividend payment date) on a \$100 investment on January 1, 2002 in the Company's common shares compared to the return on a comparable investment on the S&P/TSX Composite Index. The common share trading data is as reported by the TSX. The value for each year represents the closing price as of December 31 on that year.

Compensation of Directors

In 2006 the Company paid each of the independent Directors (Mr. Robinson, Dr. Gayton and Mr. Goepel) a \$20,000 annual retainer, an additional \$5,000 to each Committee chair, and \$1,000 per day for meetings attended in person and by phone, and for participation in special committees of the board. In 2006, one director received an additional \$15,000 for special committee work. All reasonable expenses incurred by a Director in attending meetings of the Board of Directors, committee meetings or shareholder meetings, together with all expenses properly and reasonably incurred by any Director in the conduct of the Company's business or in the discharge of his duties as a Director, are paid by the Company.

- d) subject to section (e) below, upon ceasing to be an eligible optionee for any reason (other than death), such optionee has until the earlier of (i) the original expiry date; and (ii) 30 days from the date that such cessation occurs, to exercise his options;

- e) if an eligible optionee ceases to be an optionee due to death, the options held by such optionee will be exercisable for a period of 12 months from the date of such death by such optionee's legal heirs or representatives;
- f) subject to applicable TSX approval, the board of directors may, at any time, amend or revise the terms of the Plan, provided that such amendment or revision shall not alter or impair the terms of any options theretofore granted under the Plan;
- g) in the event that any options granted to an Insider of the Company pursuant to the Plan are re-priced to a lower exercise price, the re-pricing of the options will be subject to the prior approval of the disinterested shareholders of the Company; and
- h) the options are non-assignable and non-transferable. The options can only be exercised by the optionee as long as the optionee remains an eligible optionee pursuant to the Plan or within one year from the date of the optionee's death.

As at the date hereof, the Company had options outstanding under the Plan to purchase a total of 3,365,000 Common Shares representing approximately 3.56% of the issued and outstanding Common Shares.
