**INFORMATION CIRCULAR FOR
ANNUAL GENERAL MEETING**

(As at March 30, 2015, except as indicated)

GENERAL PROXY INFORMATION

SOLICITATION OF PROXIES

Amerigo Resources Ltd. (the "*Company*") is providing this Information Circular and a form of proxy in connection with management's solicitation of proxies (a "*Proxy*" or "*Proxies*") for use at the Annual General Meeting (the "*Meeting*") of the Company to be held on May 4, 2015, and at any adjournments thereof. Unless the context otherwise requires, when we refer in this Information Circular to the Company, also included are all companies in which the Company holds direct and indirect interests.

The solicitation of Proxies will be primarily by mail, but Proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company at nominal cost. In accordance with National Instrument 54-101 of the Canadian Securities Administrators ("*NI 54-101*"), arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares without par value in the capital of the Company (the "*Shares*") held of record by such persons, and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in so doing. All costs of this solicitation will be borne by the Company.

APPOINTMENT OF PROXYHOLDERS

A shareholder entitled to vote at the Meeting may by means of a Proxy appoint a proxyholder or one or more alternate proxyholders, who need not be shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf. The only methods by which a shareholder may appoint a person as proxyholder are by submitting a Proxy by mail, fax, hand delivery, phone or by way of the Internet, as set out in the accompanying form of Proxy.

The individuals named in the accompanying form of Proxy are directors and/or officers of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent him or her at the Meeting has the right to do so, either by inserting such person's name in the blank space provided in the form of Proxy or by completing another form of Proxy.** Such a shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the shareholder's Shares are to be voted. In any case, the form of Proxy should be dated and executed by the shareholder or his/her attorney authorized in writing, or if the shareholder is a corporation, under its corporate seal, or by an officer or attorney thereof duly authorized.

PROXY INSTRUCTIONS

Only shareholders whose names appear on the records of the Company as the registered holders of Shares or duly appointed proxyholders are permitted to vote at the Meeting. Registered shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered shareholders may vote by Proxy. Registered Shareholders who wish to vote by Proxy must complete, date and sign the form of Proxy and return it by mail, fax, hand delivery, phone or by way of the Internet to Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 Fax: Within North America: 1-866-249-7775 Outside North America: (416) 263-9524; Phone: 1-866-732-8683; Internet: www.investorvote.com, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the commencement of the Meeting or the adjournment thereof at which the Proxy is to be used.

REVOCABILITY OF PROXIES

In addition to revocation in any other manner permitted by law, a shareholder who has given a Proxy may revoke it by either executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or the shareholder's authorized attorney in writing or, if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized; and by depositing (a) the Proxy bearing a later date with Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the commencement of the Meeting or the adjournment thereof at which the Proxy is to be used; or (b) the notice of revocation at the registered office of the Company, Suite 2300, 550 Burrard Street, Vancouver, British Columbia, V6C 2B5, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law. In addition, a Proxy may be revoked by the shareholder personally attending the Meeting and voting the shareholder's shares. A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

EXERCISE OF DISCRETION

On a poll, the nominees named in the accompanying form of Proxy will vote or withhold from voting the Shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for and, if the security holder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. **The Proxy will confer discretionary authority on the nominees named therein with respect to each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors, any amendment to or variation of any matter identified therein and any other matter that properly comes before the Meeting.**

In respect of a matter for which a choice is not specified in the Proxy, the nominees named in the accompanying form of Proxy will vote Shares represented by the Proxy in favor of the matters specified in the Notice of Meeting and in favor of all other matters proposed by management at the Meeting.

As of the date of this Information Circular management of the Company knows of no amendment, variation or other matter that may come before the Meeting but, if any amendment, variation or other matter properly comes before the Meeting, each nominee in the accompanying form of Proxy intends to vote thereon in accordance with the nominee's best judgment.

BENEFICIAL (NON-REGISTERED) SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular, collectively, as "*Beneficial Shareholders*") should note that only Proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited; and which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person.**

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of Proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial

Solutions, Inc. ("*Broadridge*", formerly ADP Investor Communications Services) in the United States and in Canada. Broadridge typically prepares its own voting instruction forms, mails those forms to the Beneficial Shareholders and requests the Beneficial Shareholders return the voting instruction forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form to vote Shares directly at the Meeting. Such voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of voting instruction form provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.** Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal Proxy which would enable the Beneficial Shareholder to attend the Meeting and vote his or her Shares.

RECORD DATE AND VOTING SECURITIES

The Company has set the close of business on March 30, 2015 as the record date (the "*Record Date*") for determination of persons entitled to receive notice of the Meeting. Only the registered holders of Shares, and those beneficial holders entitled to receive notice pursuant to NI 54-101 through their intermediaries, as at that date, are entitled to receive notice of and to vote at the Meeting, unless after that date a shareholder of record transfers his or her Shares and the transferee, upon producing properly endorsed certificates evidencing such Shares or otherwise establishing that he or she owns such Shares, requests by contacting Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, at least 10 calendar days prior to the Meeting, that the transferee's name be included in the list of shareholders entitled to vote, in which case such transferee will be entitled to vote such Shares at the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Shares, of which 173,610,629 Shares are issued and outstanding as at the date hereof. Persons who are registered shareholders at the close of business on March 30, 2015 will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held. The Company has only one class of shares.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Committee

The Compensation Committee of the Board has the following responsibilities:

- reviewing and approving the corporate and individual goals and objectives relevant to senior management's compensation, evaluating performance, and setting compensation levels based upon this evaluation;
- reviewing the recommendations of the Chairman and CEO with respect to compensation of other management members, and for fixing their compensation, including annual bonuses and the granting of stock options under the Company's stock option plan;
- reviewing executive compensation disclosure before the Company publicly discloses this information; and
- reviewing compensation policies and proposals with reference to industry sectors and markets in which the Company operates.

The Compensation Committee members are independent directors Sidney Robinson (Chairman), Geoff Castle, Alberto Salas and Ruston Goepel. Meetings of the Committee are documented in the form of meeting minutes. In establishing policies covering compensation, including annual bonuses and stock

option grants, the Compensation Committee takes into consideration the recommendations of the Chairman and CEO, advice of independent consultants when retained and industry standards.

Objectives of Executive Compensation

The Compensation Committee endeavors to ensure that the Company's compensation policies:

- attract and retain highly qualified and experienced executives and managers;
- recognize and reward contribution to the success of the Company as measured by the accomplishment of specific performance objectives; and
- ensure that a significant proportion of compensation is at risk and directly linked to the success of the Company.

Executive compensation is based upon the need to provide a compensation package that will allow the Company to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy.

Analysis of Elements

The principal elements of executive officers' compensation consist of the following: base salary, long-term incentive awards (stock options), and annual performance bonuses. These elements, described below in more detail, are designed to reward corporate and individual performance. Corporate performance is generally measured relative to operational objectives and corporate values. Individual performance is evaluated based on individual expertise, leadership, ethics, and achievement of personal performance goals and commitments. The Compensation Committee considers management's goals and objectives for each year, particularly with respect to bonus considerations, and believes that accomplishment of such goals is in the best interests of the Company as well as management, as they take into account not only revenues, costs and profitability in the short term, but also long term elements such as capital expenditures and future expansion plans.

Benchmarking

In March 2008 the Company retained the services of Coopers Consulting Ltd. ("CCL") to provide specific support on management compensation as well as director compensation, including surveys of market practices and a technical analysis of this information relative to the Company's compensation plans and practices. During 2010 the Compensation Committee again retained the services of CCL, this time to provide the Committee with up to date data concerning termination payments on change in control and for reasons other than for cause. During 2011 management provided to the Compensation Committee a memorandum containing an extensive analysis of change in control and termination provisions based on data compiled from in excess of 20 comparable companies in the mining industry, which reached very similar conclusions as that of the October 2010 CCL Opinion. In early 2012 the Compensation Committee also commissioned an opinion from the Company's solicitors, whose opinion by way of letter dated February 7, 2012 confirmed contemplated changes to the termination provisions in management contracts were in line with industry standards. The 2008 CCL survey was also updated at this time and a number of companies added, as many of the companies referred to in the original report were no longer in existence. The updated survey included the following companies which were considered comparable to the Company in terms of market capitalization, activity and development stage, and contains data available in respect of the 2010 calendar year:

Blackstone Ventures Inc.
Cardero Resource Corp.
Andina Minerals Inc.
Aura Minerals Inc.
Claude Resources Inc.
Crocodile Gold Corp.
Golden Star Resources Ltd.
Eastern Platinum Limited
ECU Silver Mining Inc.
Forsys Metals Corp
Gold-Ore Resources Ltd.
Jaguar Mining Inc.
Taseko Mines Limited

North American Palladium Ltd.
Alexis Minerals Corporation
Augusta Resource Corporation
Carpathian Gold Inc.
Copper Mountain Mining Corp
Crystallex International Corp
General Moly Inc.
Ivernia Inc.
Mercator Minerals Ltd.
Golden Predator Corp.
International Minerals Corp
ShoreGold Inc.
St Andrew Goldfields Ltd.

Finally, during its compensation considerations during Q1-2014, the Compensation Committee also reviewed a report prepared for the Company by Mercer (Canada) Limited dated February 19, 2014 entitled "Executive Compensation Trends", which contained a high level overview of key executive compensation trends within the mining industry in Canada.

Base Compensation

Base compensation is normally reviewed in the first quarter of each year and adjustments, if any, are made retroactive to January 1 of that year. The Compensation Committee determines base compensation adjustments for management taking into account industry compensation surveys, the Company's financial performance, inflation rates and general economic conditions. The Compensation Committee also takes into consideration recommendations from the Chairman and CEO with respect to compensation for other members of management.

In Q1-2014, the Compensation Committee accepted the recommendations of Chairman and CEO and, effective January 1, 2014, the annual compensation payable by the Company and MVC to Zeitler Holdings Corp. (of which Dr. Zeitler, the Company's Chairman and CEO, is principal), was decreased from \$395,000 to \$360,000, the annual compensation payable by the Company to each of Delphis Financial Strategies Inc. (of which Ms. Davidson, the Company's CFO, is principal) and Michael J. Kuta Law Corporation (of which Michael Kuta, the Company's General Counsel, is principal), was increased from \$166,000 to \$170,000, and the salary payable by the Company to Robert Henderson, the Company's President & COO, remained unchanged at \$250,000. In 2014 MVC also began paying director fees in the amount of US\$36,000 per annum to each of Zeitler Holdings Corp., Delphis Financial Strategies Inc. and Robert Henderson.

Bonus Consideration

The Compensation Committee reviews management performance in light of corporate and individual goals and uses that review to assist in the determination of the payment of bonuses, if any, in respect of each year. The Compensation Committee retains discretion over this determination and, depending on its view of other relevant circumstances in each year, may decide to modify any bonus payment whether goals and objectives are met in a particular year. Goals and objectives include: (1) percentage increase in production; (2) keeping operating costs within budget; (3) keeping capital expenditures within budget; and (4) attaining operating cash flow targets, all of which account for the majority of the target bonus. Other targets relate specifically to the Company's business and competitive strategy or are in relation to key business partners and other stakeholders, and are therefore not disclosed publicly as management believes to do so could prove prejudicial to the Company's interests.

Stock Options

The Company grants share purchase options pursuant to the Plan in consideration of the level of responsibility of the executive as well as his or her impact and/or contribution to the longer-term operating performance of the Company. To date the Plan has been the sole long term component of management compensation, and has helped to ensure that a major part of management's compensation is closely aligned with shareholder interests.

In determining the overall number of options to be granted each year, the Compensation Committee reviews the number of options outstanding compared to peer group companies and the total compensation package for management and directors in the year.

Summary Compensation Table

The following table (presented in accordance with National Instrument Form 51-102F6 - *Statement of Executive Compensation* which came into force on December 31, 2008 ("*Form 51-102F6*")) sets forth all annual and long term compensation for services in all capacities to the Company for the most recently completed financial year of the Company (to the extent required by Form 51-102F6) in respect of each Named Executive Officer ("NEO"), as defined in Form 51-102F6. For the purposes of Form 51-102F6, NEO means a CEO, a CFO, each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, and each individual who would be an NEO but for the fact that the individual was neither an executive officer of the company, nor acting in a similar capacity, at the end of that financial year.

Pension Plan Benefits

The Company does not have a pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement. The Company does not have a deferred compensation plan.

Termination and Change of Control Benefits

The Company does not have employment contracts with any NEOs, and does not have any contract, agreement, plan or arrangement that provides for payments to its NEOs at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, a change in control of the Company or a change in the NEOs' responsibilities, except as set out below.

Pursuant to a consulting services agreement (the "MVC Agreement") made as of January 1, 2012 between the Company's subsidiary, Minera Valle Central, S.A. ("MVC"), and Zeitler Holdings Corp. ("ZHC", a company of which Dr. Zeitler is the principal), MVC agreed to pay to ZHC a fee of US\$13,000 per month (the "MVC Monthly Fee") or US\$156,000 per year (the "MVC Fee"), subject to review annually. If MVC terminates the MVC Agreement other than for cause, or if ZHC terminates the MVC Agreement within 12 months following a "change of control" of the Company (as defined in the MVC Agreement), MVC is required to pay to ZHC the total of (i) two times the MVC Fee then in effect; and (ii) the amount obtained when the MVC Monthly Fee is multiplied by the number of fully completed years of service ZHC has provided to MVC, up to a maximum of 12 times the Monthly Fee.

Pursuant to a consulting services agreement (the "ZHC Agreement") made as of January 1, 2012 between the Company and ZHC, the Company agreed to pay to ZHC an annual fee of \$380,000 (the "Total Fee") less the amount of the MVC Fee (the "ZHC Fee"), subject to review annually, with provision for an annual bonus, if any, to be determined by the Company's Compensation Committee. The bonus is based upon the Company meeting key criteria each year, as mutually agreed, including business growth targets and budget requirements, and other key corporate milestones, and the target bonus in each year is equal to 100% of the Total Fee (the "ZHC Target Bonus"). If the Company terminates the ZHC Agreement other than for cause, or if ZHC terminates the ZHC Agreement within 12 months following a "change of control" of the Company (as defined in the ZHC Agreement), the Company is required to pay to ZHC the total of: (i) two times the ZHC Fee then in effect; (ii) the amount obtained when one-twelfth of the ZHC Fee is multiplied by the number (up to a maximum of 12) of fully completed years of service ZHC has provided to the Company; and (iii) two times the ZHC Target Bonus then in effect.

Pursuant to the terms of a consulting services agreement (the "Delphis Agreement") made as of January 1, 2012 between the Company and Delphis Financial Strategies Inc. ("Delphis", a company of which Ms. Davidson is the principal), the Company agreed to pay to Delphis an annual fee of \$160,000 (the "Delphis Fee"), subject to review annually, in equal monthly installments with provision for an annual bonus, if any, to be determined by Amerigo's Compensation Committee. The bonus is based upon the Company and Delphis meeting key criteria each year, as mutually agreed between Delphis and the Company, and the target bonus in each year is equal to 100% of the Delphis Fee (the "Delphis Target Bonus"). If the Company terminates the Delphis Agreement other than for cause, or if Delphis terminates the Delphis

Agreement for "good reason" within 12 months following a "change of control" of the Company (both as defined in the Delphis Agreement), the Company is required to pay to Delphis the total of: (i) 1.5 times the Delphis Fee then in effect; (ii) the amount obtained when one-twelfth of the Delphis Fee is multiplied by the number of fully completed years of service Delphis has provided to the Company, up to a maximum of 6 times the Monthly Fee; and (iii) two times the Delphis Target Bonus then in effect.

Pursuant to a consulting services agreement (the "MJK Agreement") made as of January 1, 2012 between the Company and Michael J. Kuta Law Corporation ("MJK Law", a company of which Mr. Kuta is the principal, the Company agreed to pay to MJK Law an annual fee of \$160,000 (the "MJK Fee"), subject to review annually, in equal monthly installments with provision for an annual bonus, if any, to be determined by Amerigo's Compensation Committee. The bonus is based upon the Company and MJK Law meeting key criteria each year, as mutually agreed between MJK Law and the Company, and the target bonus in each year is equal to 100% of the MJK Fee (the "MJK Target Bonus"). If the Company terminates the MJK Agreement other than for cause, or if MJK Law terminates the MJK Agreement for "good reason" within 12 months following a "change of control" of the Company (both as defined in the MJK Agreement), the Company is required to pay to MJK Law the total of: (i) 1.5 times the MJK Fee then in effect; (ii) the amount obtained when one-twelfth of the MJK Fee is multiplied by the number of fully completed years of service MJK Law has provided to the Company, up to a maximum of 6 times the Monthly Fee; and (iii) two times the MJK Target Bonus then in effect.

Pursuant to an employment agreement (the "RH Agreement") made as of June 4, 2012 between the Company and Rob Henderson, the Company agreed to pay to Mr. Henderson an annual salary of \$240,000 (the "Salary"), subject to review annually, with provision for an annual bonus, if any, to be determined by Amerigo's Compensation Committee. The bonus is based upon the Company and Mr. Henderson meeting key criteria each year, as mutually agreed between Mr. Henderson and the Company, and the target bonus in each year is equal to 80% of the Salary (the "Target Bonus"). If the Company terminates the RH Agreement within the 12 month period following a "change of control" of the Company (as defined in the RH Agreement), the Company is required to pay to Mr. Henderson the total of: (i) all amounts owing in respect of salary and bonus pursuant to the RH Agreement to the termination date; (ii) 2 times the Salary then in effect; and (iii) two times the Target Bonus then in effect.

All amounts referred to above are exclusive of applicable taxes.

For the purposes of the agreements referred to above, a "change of control" will be evidenced by the election or appointment of a majority of new directors of the Company or the acquisition by any person or by any person and such person's affiliates or associates, as such terms are defined in the Securities Act (British Columbia), and whether directly or indirectly, of common shares of the Company which, when added to all other common shares of the Company at the time held by such person and such person's affiliates and associates, totals for the first time, fifty (50%) percent or more of the outstanding common shares of the Company, and for the purposes of the Delphis Agreement and the MJK Agreement (each of Delphis and MJK Law are referred to as a "Contractor"), good reason will be evidenced by one or more of the following:

- a meaningful or detrimental change in the duties or responsibilities of the Contractor or a change in the principal contact of the Contractor within the Company;
- a reduction in the amount of the Delphis Fee or the MJK Fee, as applicable;
- a demand by the Company that the Contractor cease providing services to another entity where the Company and the Contractor had previously agreed that the Contractor could engage in such activities;
- material breach by the Company of any material provision of the applicable agreement;
- the Company requiring the Contractor to relocate to any place other than Vancouver, BC; or
- failure by the Company to continue in effect any bonus or other compensation plan.

Estimated Incremental Payments on Change of Control

If, effective December 31, 2014, MVC terminated the MVC Agreement without cause or if ZHC terminated the MVC Agreement within 12 months following a change of control of the Company, ZHC would have been entitled to receive US\$455,000 from MVC, the estimated incremental payment upon termination.

If, effective December 31, 2014, the Company terminated the ZHC Agreement without cause or if ZHC terminated the ZHC Agreement within 12 months following a change of control of the Company, ZHC would have been entitled to receive \$1,470,198 from the Company, the estimated incremental payment upon termination.

If, effective December 31, 2014, the Company had terminated the Delphis Agreement without cause or Delphis terminated the Delphis Agreement for good reason within 12 months following a change of control of the Company, Delphis would have been entitled to receive \$680,000 from the Company, the estimated incremental payment upon termination.

If, effective December 31, 2014, the Company terminated the MJK Agreement without cause or MJK Law terminated the MJK Agreement for good reason within 12 months following a change of control of the Company, MJK Law would have been entitled to receive \$680,000 from the Company, the estimated incremental payment upon termination.

If, effective December 31, 2014, the Company terminated the RH Agreement within 12 months following a change of control of the Company, Mr. Henderson would have been entitled to receive a total of \$900,000 from the Company, such amounts representing the estimated incremental payments upon termination.

All amounts payable to Mr. Henderson referred to above would be subject to all applicable deductions for income tax and other statutory deductions. All other amounts referred to above are exclusive of applicable taxes.

Mr. Henderson is not entitled to termination payments in the event of resignation or retirement, and none of the companies referred to above is entitled to termination payments in the event any of such companies terminates its respective agreement or agreements. All such agreements may be terminated on 3 months written notice in writing for cause as defined in each of the agreements.

Performance Graph

The following performance graph illustrates the Company's five year (to December 31, 2014) cumulative total shareholder return (assuming reinvestment of dividends, if any, on each dividend payment date) on a \$100 investment on January 1, 2010 in the Company's Shares compared to the return on a comparable investment on the S&P/TSX Composite Index. The share trading data is as reported by the TSX.

The percentage return set out above in respect of Amerigo shares includes a total of \$0.08 in dividends paid during 2011 and 2012.

Management received bonuses at the lower end of target in 2010 in respect of the 2009 fiscal year, due to the global financial crisis and its ongoing effect on the Company and virtually all other companies in the mining industry. Higher bonuses were paid in 2011 in respect of the 2010 year to reflect the improved performance of the Company and the performance of management in achieving goals and objectives for that year. The Company's share performance in the graph improved as compared against the TSX return during this period. Bonuses at the lower end of target were paid in 2012 in respect of the 2011 year. Although the Compensation Committee decided that management did not fully meet the majority of their goals and objectives during 2011, the Committee took into the account the fact that there were a number of mitigating factors which were beyond management's control and that adversely affected production and the Company's operating costs, including a strike by contractors working for El Teniente, continuing high power costs in Chile due to ongoing drought conditions, and rising steel and maintenance costs which were mostly the result of inflation. Bonuses were paid in 2013 in respect of the Company's 2012 financial year at the lower end of target for each member of management, and to three members of management in 2014 in respect of the Company's 2013 financial year, also at the lower end of target. All or a portion of each of the bonuses paid in 2014 included Shares, as more particularly described in the Summary Compensation Table above. Although the Company's financial results did not meet target levels for the years 2012 and 2013, the Committee took into the account the fact that there were several mitigating factors, including the one-time payment by MVC in 2012 of \$4.6 million in bonuses on the signing of a new 4 year union agreement, higher extraction costs and lower metal recoveries in the Colihues tailings pond due to extremely difficult mining conditions encountered during both of 2012 and 2013, and declining metal prices during each year. From early 2011 to the end of 2014 the Company's share performance deteriorated as compared to the performance of the TSX, but the Committee took into account the fact that the vast majority of mining industry issuers were in the same position during this period and that declines in share price have an adverse effect on the in-the-money value of outstanding stock options, which form an important part of management's compensation.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

STOCK OPTION PLAN

The Company's directors have approved the Company's stock option plan (the "Plan") which provides for the issuance of stock options to acquire at any time up to a maximum of 10% of our issued and outstanding Shares, including previously granted stock options. The Plan is essential to the Company's ability to compete for the key individuals required for the Company's operations. As a result, the issuance of stock options allows us to attract quality individuals in a highly competitive market and incentivize these individuals to maximize shareholder value over the long term.

Material Changes to the Existing Stock Option Plan

We are not proposing any changes to the Plan that was approved by the Company's shareholders at the 2012 annual general meeting.

Particulars of the Plan

The following is a summary of the principal terms of the Plan.

Eligible Participants

The Plan provides that stock options may be granted to Employees, Senior Officers, Directors, Management Company Employees and Consultants of the Company and the Company's subsidiaries (as defined in the Plan).

Shares Available for Issuance

The Plan provides for the issuance of stock options to acquire at any time up to a maximum of 10% of our issued and outstanding Shares (subject to standard anti-dilution adjustments).

The Plan is considered a "rolling" stock option plan as the number of Shares available for issue under the Plan increases with the number of issued and outstanding Shares. The Plan is also considered an "evergreen" stock option plan: when a stock option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares reserved for issuance under that expired or terminated stock option again become available for the purposes of the Plan. Any stock option outstanding when the Plan is terminated will remain in effect until it is exercised or expires.

As of March 30, 2015, we had 173,610,629 of our Shares issued and outstanding, and options to acquire 12,450,000 of our Shares granted pursuant to the Plan (representing 7.17% of our issued and outstanding common shares). As the Plan provides for the issuance of stock options to acquire at any time up to a maximum of 10% of our issued and outstanding common shares, if the Plan is approved by our shareholders the Company will have the ability to grant options to acquire an additional 4,911,063 Shares.

Plan Administration

The Plan is administered by our Board of Directors who may designate a committee to administer the Plan on behalf of the Board in accordance with such terms and conditions as the Board may prescribe, and that are consistent with the Plan. The committee will consist of two or more Directors who may be designated from time to time to serve as the committee for the Plan, all of the sitting members of which will be current Directors.

Limitations on the Grant of Options

The Plan provides that it is solely within the discretion of the Board to determine who should receive stock options, in what amounts and for what term, subject to the following conditions:

- a) options may be exercisable for a maximum of ten years from the date of grant. All stock options granted to date have a term of five years;
- b) options to acquire no more than 5% of our issued and outstanding Shares may be granted to any one director, officer, employee or consultant in any 12 month period; and
- c) the number of securities issuable (or, reserved for issuance) to insiders under all share compensation arrangements cannot at any time exceed 10% of our issued and outstanding Shares, and the number of securities issued to insiders under all share compensation arrangements cannot exceed 10% of our issued and outstanding Shares within a one year period.

The Plan provides that other terms and conditions may be attached to a particular stock option, with those terms and conditions to be included in the option agreement.

Exercise Price

The price at which an option holder may purchase a Share upon the exercise of a stock option will be fixed in compliance with the applicable provisions of the Toronto Stock Exchange ("TSX") Company Manual in force at the time of grant and, in any event, will not be less than the closing price of the Shares on the TSX on the trading day immediately preceding the day on which the Option is granted.

Option Exercise on takeover bid or tender offer

If there is a takeover bid or tender offer made for all or any of the issued and outstanding Shares, then the Board may, in its sole and absolute discretion and if permitted by applicable legislation, unilaterally determine that outstanding Options, whether fully vested and exercisable or subject to vesting provisions or other limitations on exercise, will be:

- a) conditionally exercisable in full to enable the Shares subject to such Options to be conditionally issued and tendered to such bid or offer, subject to the condition that if the bid or offer is not duly completed the exercise of such Options and the issue of such Shares will be rescinded and nullified and the Options, including any vesting provisions or other limitations on exercise which were in effect, will be re-instated; or
- b) exercisable by an Optionee by written notice to the Company specifying that the Optionee elects to receive from the Company the amount that is equal to the difference between the market price of the Shares (as determined pursuant to a formula contained in the Plan) as of the date of receipt by the Company of such notice and the exercise price, multiplied by the number of Shares in respect of which the Option would otherwise be exercised.

Expiration or Termination

Under the Plan, in the event the working relationship of an Optionee with the Company ends, the Board may determine the date at which any Options held by such Optionee will expire. In addition, in no case will a stock option be exercisable at any date that is after the first anniversary of the Optionee's date of death.

If an option expires during a trading blackout or within 10 business days after the date on which the blackout ends, then the expiry date of the option will be extended for a period of 10 business days after the date on which the trading blackout ends.

Vesting

Stock options granted pursuant to the Plan will vest when granted unless otherwise determined by the Board on a case by case basis. All stock options granted to date in 2015 have the following vesting conditions: 1/4 on March 30, 2015; 1/4 on June 30, 2015; 1/4 on September 30, 2015 and 1/4 on December 31, 2015. The Board believes this vesting schedule appropriately incentivizes the option holder to perform with the long-term goals of the Company in mind and aligns the option holder's interests with those of the Company's shareholders. In the event of a Change of Control (as defined in the Plan), all options outstanding shall immediately vest and be exercisable.

Tax Withholding

As a condition of and prior to participation in the Plan, each Optionee authorizes the Company to:

- a) withhold from any amount otherwise payable to him or her any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of his or her participation in the Plan; or
- b) require (as a condition of exercise) an Optionee to remit to the Company, the required amount to satisfy any taxes which are required to be withheld with respect to any taxable event arising as a result of the Plan.

Amendments

Subject to the policies, rules and regulations of any lawful authority having jurisdiction (including the TSX), the Board may, at any time, without further action by its shareholders, amend the Plan or any Option granted hereunder in such respects as it may consider advisable and, without limiting the generality of the foregoing, it may do so to:

- a) ensure that the Options granted under the Plan comply with any provisions respecting stock options in the income tax and other laws in force in any country or jurisdiction of which an Optionee may from time to time be resident or a citizen;
- b) make amendments of a "housekeeping" or ministerial nature, including, without limitation, any amendment for the purpose of curing any ambiguity, error or omission in the Plan or to correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan;
- c) change vesting provisions of an Option or the Plan;
- d) change termination provisions of an Option provided that the expiry date does not extend beyond the original expiry date;
- e) reduce the exercise price of an Option for an Optionee who is not an Insider;
- f) make any amendments required to comply with applicable laws or TSX requirements; and
- g) make any other amendments which are approved by the TSX.

Assignment of Options

Options are not assignable or transferable, other than in the event of an option holder's death. In such event, the option holder's personal representative may exercise any portion of the option holder's outstanding options for a period of one year following the option holder's death.

Financial Assistance

Common shares will not be issued pursuant to stock options granted under the Plan until they have been paid for in full by the option holder. We will not provide financial assistance to option holders to assist them in exercising their stock options.

Copy of the Plan

A copy of the Plan will be available for viewing up to May 4, 2015, the date of the annual meeting, at our offices at Suite 1950, 400 Burrard Street, Vancouver, B.C. V6C 3A6, tel: (604) 681-2802, or fax (604) 682-2802, and on May 4, 2015 at the annual meeting.

Approval of the Plan

According to the policies of the TSX, all evergreen stock option plans must be approved by:

- a) a majority of the issuer's directors; and
- b) the issuer's shareholders;

when instituted and thereafter every three years.

All of our directors, including our unrelated directors, approved the Plan by consent resolution dated March 30, 2015. Accordingly, we will seek shareholder approval of the Plan as described below.

Shareholder Approval

As the TSX requires shareholder approval of stock based compensation arrangements and to ensure that the Plan is acceptable to our shareholders, we will ask our shareholders to approve the Plan at the Meeting. In the event the Plan is not approved by our shareholders:

- a) previously allocated options will continue unaffected by disapproval of the resolution;
- b) no further options will be granted under the Plan; and
- c) previously granted options will not be available for re-allocation if they are cancelled prior to exercise.

Our shareholders will be asked to consider and, if thought fit, pass the following resolution at the Meeting.

"RESOLVED THAT:

1. the Amerigo Resources Ltd. Stock Option Plan (the "*Plan*") adopted by the Board of Directors of the Company effective March 30, 2015 and as described in the Management Information Circular dated March 30, 2015, including the reserving for issuance under the Plan at any time of a maximum of 10% of the issued common shares of the Company, be and is hereby authorized and approved;
2. the Company be and is hereby authorized to grant stock options under the Plan in accordance with its terms until May 4, 2018, and all unallocated options under the Plan are hereby approved; and
3. the Company be and is hereby authorized to prepare such documents and make such submissions and filings as the Company may be required to make to give effect to this resolution."

Shareholders must vote FOR or AGAINST the above resolution (not "FOR" or "ABSTAIN").

SHAREHOLDER RIGHTS PLAN

The Company is a party to a shareholder rights plan agreement (the "*Rights Plan*") with Computershare Investor Services Inc. as rights agent, dated as of December 24, 2008. The Rights Plan was originally approved by the shareholders of the Company on June 24, 2009 and again at the 2012 annual general meeting.

The Rights Plan was adopted: (i) to give adequate time for Shareholders to properly assess a take-over bid without undue pressure; (ii) to provide the Board time to consider value-enhancing alternatives to a take-over bid and to allow competing bids to emerge; and (iii) to ensure that Shareholders of the Company are provided equal treatment under a take-over bid. The Rights Plan is not intended to prevent take-over bids that treat Shareholders fairly and was not adopted in response to any proposal to acquire control of the Company.

Under the Rights Plan, those bids that meet certain requirements intended to protect the interests of all Shareholders are deemed to be "Permitted Bids". Permitted Bids must be made by way of a take-over circular prepared in compliance with applicable securities laws and, among other conditions, must remain open for sixty days. In the event a take-over bid does not meet the Permitted Bid requirements or a person otherwise acquires 20% or more of the outstanding Shares (an "Acquiror"), subject to certain exemptions, rights issued under the Rights Plan will entitle Shareholders, other than any Acquiror, to purchase

additional Shares at a substantial discount to the market value at the time. As a result, the investment of any Acquiror will be greatly diluted if a substantial portion of the rights are exercised.

A summary of the Rights Plan is set forth in Schedule "B" to this Management Information Circular. This summary is qualified in its entirety by reference to the text of the Rights Plan, which is available upon request from the Company sent to Suite 1950, 400 Burrard Street, Vancouver, B.C. V6C 3A6, telephone (604) 681-2802 or by fax (604) 682-2802. A copy of the Rights Plan will be available for viewing up to May 4, 2015, the date of the annual meeting, at our offices at Suite 1950, 400 Burrard Street, Vancouver, B.C. V6C 3A6, tel: (604) 681-2802, or fax (604) 682-2802, and on May 4, 2015 at the annual meeting. Capitalized terms used in this summary without express definition have the meanings ascribed thereto in the Rights Plan.

Shareholder Approval

The Rights Plan has been accepted by the TSX. In order for the Rights Plan to continue in effect past May 3, 2015, the Rights Plan must be approved both (i) by more than 50% of the votes cast at the Meeting by shareholders present in person or by proxy, and (ii) by more than 50% of the votes cast at the Meeting by shareholders present in person or by proxy, without giving effect to any votes cast by a shareholder that, directly or indirectly, on its own or in concert with others, holds or exercises control over more than 20% of the outstanding Shares of the Company (a "Control Person") and by the associates, affiliates and insiders of such Control Person, and any other shareholder who does not qualify as an Independent Shareholder, as that term is defined in the Rights Plan. To the best of the knowledge of the directors and senior officers of the Company, as of date hereof, no person is a Control Person of the Company and there is no shareholder who does not qualify as an Independent Shareholder, as that term is defined in the Rights Plan. If the Rights Plan is not ratified, it will terminate at the end of the Meeting.

Accordingly, the shareholders of the Company will be asked at the Meeting to approve an ordinary resolution (the "*Rights Plan Resolution*") in substantially the following form:

"RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. The continuation of the shareholder rights plan (the "*Rights Plan*") as set forth in the shareholder rights plan agreement dated as of December 24, 2008 between the Company and Computershare Investor Services Inc., be and the same is hereby approved, ratified and confirmed;
2. any revisions made to the Rights Plan on or before May 4, 2015 that are required by the relevant stock exchange to conform the Rights Plan with most other shareholder rights plans for reporting issuers in Canada, as may be approved by any two officers of the Company, are hereby approved;
3. the Rights Plan, as amended in accordance with the provisions set out above, is hereby ratified, confirmed and approved; and
4. any director or officer of the Company is hereby authorized and directed for and in the name of and on behalf of the Company to execute or cause to be executed, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in connection with the foregoing."

The directors of the Company recommend that the Shareholders approve the Rights Plan. It is intended that all proxies received will be voted in favour of the Rights Plan Resolution, unless a proxy contains instructions to vote against such resolution. If the Rights Plan Resolution is not approved by the shareholders of the Company as described in this Management Information Circular, the Rights Plan will terminate and cease to have effect on the date of the Meeting, and the rights issued under it will be void.

The chair of each committee is responsible for calling the meetings of the respective committees, establishing meeting agendas with input from management, and supervising the conduct of the meetings. The chair of the audit committee has a clear mandate from the Board to ensure that the committee meets its purposes as set out in the Audit Committee Charter. The Audit Committee monitors the integrity of the Company's financial reporting process and systems of internal control, and meets on at least a quarterly basis to review and approve the Company's financial statements, management discussion and analysis and accompanying news release. The nature and operation of the issuer's business. 	<p>The Company does not have a formal orientation and education program for new directors. New directors are provided with relevant materials with respect to the Company, and spend a considerable amount of time being oriented on relevant corporate issues by the CEO. Two additional directors were appointed during 2012, Messrs. George Ireland and Geoffrey Castle, both of whom are very familiar with the Company and its operations. Mr. Ireland is the founder and portfolio manager of Geologic Resource Partners LLC, which owns more than 10% of the Company's shares, and has visited the Company's operations in the past. At the time of his appointment, Mr. Castle was the Manager, Group Investments of Kestrel Holdings Ltd., the Company's largest shareholder. Management generally attempts to set up Board visits to the Company's operations in South America at least every other year, in order to meet with local management, view the Company's plant and capital additions and visit the operations. 5. Ethical Business Conduct	
<p>(a) Disclose whether or not the board has adopted a written code for the directors, officers and employees. If the board has adopted a written code:</p> <ul style="list-style-type: none"> i. Disclose how a person or company may obtain a copy of the code; ii. Describe how the board monitors compliance with its code, or if the board does not monitor compliance, explain whether and how the board satisfies itself regarding compliance with its code; and iii. Provide a cross-reference to any material change report filed since the beginning of the issuer's most recently completed financial year that pertains to any conduct of a director or executive officer that constitutes a departure from the code. 	<p>The Company has a written Code of Ethical Conduct for Financial Managers and a Whistleblower Policy. <p>(b) Describe any steps the board takes to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.</p>	<p>Directors or officers with a material interest in a transaction to be considered by the Board are required to declare their interest and, in the case of directors, abstain from discussion pertaining to and then voting on the transaction. During 2014 the independent directors reviewed and approved a related party transaction that involved three insider shareholders of the Company, including the management company of the Chairman and CEO, but did so only after an extensive review of a number of comparable transactions and obtaining legal advice from the Company's external counsel. This transaction and the process the directors followed is described in detail in a material change report filed by the Company on March 27, 2015.</p> <p>All directors without a material interest then vote on the proposed transaction only after a thorough discussion and review of the documentation related to the transaction including, if deemed necessary, a discussion in the absence of the director or officer with the material interest.</p>

6. Nomination of Directors	
(a) Describe the process by which the board identifies new candidates for board nomination	<p>The nominating committee draws on all relevant sources in the search for new directors, and all of the Company's directors are involved in the process. Preferred candidates include potential directors with direct experience in the mining business and legal, accounting or financial industries together with public company experience, and who do not have a significant conflicting public company association.</p> <p>Messrs. Salas and Grau were appointed to the Board in 2011 after management and the board agreed the Company should have representation from South America, where the Company carries on its business. Mr. Salas is from Chile and Mr. Grau from Peru. Both are well known by members of management through previous business dealings, and also had prior knowledge of the Company's operations. The addition of Messrs. Ireland and Castle to the board in 2012 was in part made to ensure the Company's largest shareholders are informed on and have input into the Company's operations. There have been no additional appointments to the Board since the three original independent directors were appointed in 2003 and 2004.</p>
(b) Disclose whether or not the board has a nominating committee composed entirely of independent directors. Corporate Governance Disclosure Requirement	The Company's Approach
(c) If the board has a compensation committee, describe the responsibilities, powers and operation of the compensation committee.	<p>In each year the compensation committee reviews management fees and salaries, bonus and stock option compensation. The committee periodically commissions reports from independent compensation consultants who are expert in the mining industry, and considers inflation statistics from government and other official sources in its annual review of fees, salaries and bonuses. The committee also agrees annually to a set of goals and objectives for management which form the basis for the determination as to the amount of bonuses, if any, to be paid. In setting bonus amounts the committee also takes into account additional factors which may or may not be within the control of management, the Company's financial results and position and the state of the economies of Chile and Canada. Stock option allocations are made based on recommendations from senior management, and each person's contribution and level of responsibility. The committee also takes into account the compensation components of management of other companies of similar size and stage of development. There is no minimum share ownership requirement for directors. Directors' compensation is a combination of annual retainer, meeting fees and stock options. The compensation committee reviews the amounts and effectiveness of compensation provided to management and Board members. During 2012 the committee recommended that the Company set up a benefits plan for its employees and contractors which became effective October 1, 2012. <p>Disclose whether or not the board, its committees and individual directors are regularly assessed with respect to their effectiveness and contribution. If assessments are regularly conducted, describe the process used for the assessments. If assessments are not regularly conducted, describe how the board satisfies itself that the board, its committees and its individual directors are performing effectively.</p>	<p>The Company does not carry out regular assessments of the Board, its committees or individual directors. The Board monitors its effectiveness and that of its committees and individual directors in connection with its ongoing oversight of management and management's effectiveness in attaining the Company's corporate objectives, budgets and milestones, and works with management to ensure regular and timely communication and material information flow to the directors.</p>

10. Director Term Limits and Other Mechanisms of Board Renewal	
<p>Disclose whether or not the issuer has adopted term limits for the directors on its board or other mechanisms of board renewal and, if so, include a description of those director term limits or other mechanisms of board renewal. If the issuer has not adopted director term limits or other mechanisms of board renewal, disclose why it has not done so.</p>	<p>The Company has not adopted term limits for the directors or other mechanisms of board renewal. The Company's subsidiary has been in operation since 1992, and the Board believes that the perspective of longer service directors with industry experience gleaned through multiple commodity price cycles is of benefit to the Board. The continuity of board experience provided by representatives of major shareholders has also assisted the Board in making investment decisions with a long-term focus. In addition, management believes that the experience and diversity of the current board would be very difficult to replicate and there is no reason to make any changes at this time. Please see the response in 11(a) below for additional detail.</p>

<p>(a) Disclose whether the issuer has adopted a written policy relating to the identification and nomination of women directors. If the issuer has not adopted such a policy, disclose why it has not done so</p>	<p>The Company has not adopted a written policy relating to the identification and nomination of women directors. Three independent directors have each been on the board for more than 10 years, all have extensive experience in the mining industry and each has a particular expertise important to the Company and its corporate governance, including Dr. Gayton (accounting and financial reporting), Mr. Robinson (legal) and Mr. Goepel (public and capital markets). In May 2011, the Company appointed Mr. Salas, a Chilean national, and Mr. Grau, a Peruvian national, again both with extensive mining industry experience, for board representation from South America as the Company's operations are in South America. Finally, in June 2012 the Company added representatives from two of its largest shareholders to the board. Messrs. Castle and Ireland were recommended by the two shareholders. The nominating committee confirmed both were properly qualified to act as directors, and the board and management agreed that their respective experience and backgrounds would be beneficial to the Company. In management's view the expertise of the current board, which is important in a number of critical areas, serves the Company well and there is no need to make any changes at this time. In addition, it has always been a priority of management to obtain the services of directors and officers who have the experience and skills to provide the most value to the Company, regardless of their gender.</p>

Corporate Governance Disclosure Requirement	The Company's Approach
<p>(b) If an issuer has adopted a policy referred to in (a), disclose the following in respect of the policy:</p> <p>(i) a short summary of its objectives and key provisions,</p> <p>(ii) the measures taken to ensure that the policy has been effectively implemented,</p> <p>(iii) annual and cumulative progress by the issuer in achieving the objectives of the policy, and</p> <p>(iv) whether and, if so, how the board or its nominating committee measures the effectiveness of the policy.</p>	<p>Not applicable</p>
<p>12. Consideration of the Representation of Women in the Director Identification and Selection Process</p>	
<p>Disclose whether and, if so, how the board or nominating committee considers the level of representation of women on the board in identifying and nominating candidates for election or re-election to the board. If the issuer does not consider the level of representation of women on the board in identifying and nominating candidates for election or re-election to the board, disclose the issuer's reasons for not doing so.</p>	<p>The nominating committee has not had the opportunity for close to four years to search for board candidates or to consider the level of representation of women on the board in that context. If in future a change involving the appointment of an additional director is being contemplated, the nominating committee and board will consider candidates of both genders and choose the best qualified and suited for the position.</p>
<p>13. Consideration Given to the Representation of Women in Executive Officer Appointments</p>	
<p>Disclose whether and, if so, how the issuer considers the level of representation of women in executive officer positions when making executive officer appointments. If the issuer does not consider the level of representation of women in executive officer positions when making executive officer appointments, disclose the issuer's reasons for not doing so.</p>	<p>The Company has not considered this specifically as Ms. Davidson, the Company's CFO, is one of the Company's four executive officers. Three of the Company's executive officers, including Ms. Davidson, have been with the Company for more than 9.5 years. During the executive search for a COO in 2012 which resulted in Mr. Henderson's hiring, the Company retained the services of an executive search firm. The Company and search firm found it extremely difficult to find candidates with the required qualifications, including experience dealing with the processing of tailings, and did not identify any women candidates. The search firm did not recommend any women to be considered for the position.</p>

14. Issuer's Targets Regarding the Representation of Women on the Board and in Executive Officer Positions	
<p>(a) For purposes of this Item, a "target" means a number or percentage, or a range of numbers or percentages, adopted by the issuer of women on the issuer's board or in executive officer positions of the issuer by a specific date.</p> <p>(b) Disclose whether the issuer has adopted a target regarding women on the issuer's board. If the issuer has not adopted a target, disclose why it has not done so.</p> <p>(c) Disclose whether the issuer has adopted a target regarding women in executive officer positions of the issuer. If the issuer has not adopted a target, disclose why it has not done so.</p>	<p>Having carefully considered the question, the Board has elected not to adopt a target number or percentage of women directors or executive officers. Management and the Board agree that appropriate skills and experience must remain the overriding criteria for nomination to the Board in order to guard against any perception that directors may have been nominated solely or primarily on the basis of gender. In addition, in management's view there is no need to consider changes to the board at this point. Of the Company's four executive officers, one (25%) is a woman.</p>
<p>(d) If the issuer has adopted a target referred to in either (b) or (c), disclose:</p> <p>(i) the target, and</p> <p>(ii) the annual and cumulative progress of the issuer in achieving the target.</p>	<p>Not applicable</p>
15. Number of Women on the Board and in Executive Officer Positions	
<p>(a) Disclose the number and proportion (in percentage terms) of directors on the issuer's board who are women.</p> <p>(b) Disclose the number and proportion (in percentage terms) of executive officers of the issuer, including all major subsidiaries of the issuer, who are women.</p>	<p>There presently are no directors on the Company's board who are women. Ms. Davidson is a director of two of the Company's subsidiaries, however, including the Company's operating subsidiary in Chile.</p> <p>The Company currently has one executive officer who is a woman, representing 25% of the Company's executive officers.</p>

SCHEDULE "B"
SUMMARY OF AMERIGO SHAREHOLDER RIGHTS PLAN

1. Summary of the Principal Terms of the Rights Plan

This summary is qualified in its entirety by reference to the text of the Amerigo Shareholder Rights Plan (the "Rights Plan"), which is available upon request from the Company at Suite 1950, 400 Burrard Street, Vancouver, B.C. V6C 3A6, tel: (604) 681-2802 or fax (604) 682-2802, or from the Company's public disclosure documents found on SEDAR at www.sedar.com. Capitalized terms used in this summary are defined in the Rights Plan and, notwithstanding any summary of such terms herein, all such terms have the meanings ascribed to them in the Rights Plan.

2. Issue of Rights

The Company issued one right (a "Right") in respect of each Common Share outstanding at the close of business on December 24, 2008 (the "Record Time"). The Company will issue Rights on the same basis for each Common Share issued after the Record Time but prior to the earlier of the Separation Time and the Expiration Time (both defined below).

3. Rights Certificates and Transferability

Before the Separation Time, the Rights will be evidenced by the certificates for the Shares and will not be transferable separate from the Shares. From and after the Separation Time, the Rights will be evidenced by separate Rights Certificates which will be transferable separate from and independent of the Shares.

4. Exercise of Rights

Rights are not exercisable before the Separation Time. After the Separation Time and before the Expiration Time, each Right entitles the holder to acquire one Common Share for the Exercise Price of \$100 (subject to certain anti-dilution adjustments). This Exercise Price is expected to be in excess of the estimated maximum value per Common Share during the term of the Rights Plan. Upon the occurrence of a Flip-In Event prior to the Expiration Time, each Right (other than any Right held by an Acquiring Person which will become null and void as a result of such Flip-In Event) may be exercised to purchase that number of Shares which have an aggregate Market Price equal to twice the Exercise Price of the Rights for a price equal to the Exercise Price. Effectively, this means a Shareholder of the Company (other than the Acquiring Person) can acquire additional Shares from treasury at half their Market Price.

5. Acquiring Person

Subject to certain exceptions as set forth in the Rights Plan, an Acquiring Person is a person who owns or acquires the Beneficial Ownership of 20% or more of the outstanding Shares, other than a person that is a Grandfathered Person under the terms of the Rights Plan.

6. Beneficial Owner / Beneficial Ownership

At any given date a person is deemed the "Beneficial Owner" of, and to have "Beneficial Ownership" of, and to "Beneficially Own" any securities of which such person or any of such person's Affiliates or Associates is the owner at law or in equity, and any securities of the Company of which such person or any of such person's Affiliates or Associates has the right to acquire or become the owner at law or in equity, whether such right is exercisable immediately or after the passage of time and whether or not on condition or the happening of any contingency or the making of any payment, upon the exercise of any conversion right, exchange right or purchase right attaching to convertible securities, or pursuant to any agreement, arrangement, pledge or understanding. However, under the Rights Plan a person is deemed not to have Beneficial Ownership of securities in certain circumstances, including:

- (a) securities that are the subject of a Permitted Lock-up Agreement to deposit or tender such securities pursuant to a take-over bid unless or until those securities have been accepted unconditionally for payment or exchange or have been taken up and paid for;
- (b) the person (including an investment manager, trust company, pension fund administrator,

statutory body, crown agent or agency, trustee or nondiscretionary client accounts of registered brokers or dealers) is engaged in the management of mutual funds, investment funds or other specified activities for others, as long as that person:

- (i) holds those Shares in the ordinary course of its business for the account of others; and
 - (ii) is not making a take-over bid or acting jointly or in concert with a person who is making a takeover bid, and did not acquire and does not hold the securities for the purpose of influencing or effecting a change of control (other than in specified circumstances); or
- (c) the person is a registered holder of securities as a result of carrying on the business of or acting as a nominee of a securities depository.

7. **Separation Time**

Subject to postponement by the Board of Directors, the Separation Time will generally occur at the close of business on the tenth Trading Day after the earliest of:

- (a) the first date of public announcement that a person has become an Acquiring Person;
- (b) the date of the commencement or announcement of the intent of a person to commence a take-over bid (other than a Permitted Bid or Competing Bid); and
- (c) the date on which a Permitted Bid or Competing Bid ceases to qualify as such; or
- (d) such later date as determined by the Board of Directors acting in good faith.

However, if a take-over bid expires, is cancelled or is withdrawn prior to the Separation Time, or the Board of Directors waives the application of the Rights Plan to a Flip-In Event in accordance with the terms of the Rights Plan, then the Separation Time will be deemed not to have occurred.

8. **Expiration Time**

The Rights and the Rights Plan will terminate and expire on the earlier of:

- (a) the time at which the right to exercise Rights is terminated under the terms of the Rights Plan;
- (b) if the Rights Plan is not approved by the requisite majority of Shareholders at the meeting of Shareholders scheduled for May 4, 2015 ("Meeting"); and
- (c) if the Rights Plan is approved by the requisite majority of Shareholders at the Meeting, then the Rights Plan will expire at the close of the third next annual meeting of Shareholders of the Company unless its continuation is again ratified by Shareholders at such meeting.

9. **Flip-In Event**

A Flip-In Event occurs when a person becomes an Acquiring Person. Upon the occurrence of a Flip-In Event, any Rights that are beneficially owned by an Acquiring Person and any of its Associates, Affiliates and persons acting jointly or in concert and Rights held by a transferee of any of the foregoing, will become null and void. An Acquiring Person's investment in the Company will be greatly diluted if a substantial portion of the Rights are exercised after a Flip-In Event occurs.

10. **Permitted Bid**

A Permitted Bid is a take-over bid made by a person (an "Offeror") pursuant to a take-over bid circular that complies with the following conditions:

- (a) the bid is made to all registered holders of Shares (other than the Offeror), and for all outstanding Shares (other than the Shares held by the Offeror);
- (b) the bid contains an irrevocable and unqualified condition that no Shares will be taken up or paid for under the bid for at least 60 days following the commencement of the bid, and that no Shares will be taken up or paid for unless at such date more than 50% of the outstanding Shares held by Independent Shareholders have been deposited pursuant to the bid and not withdrawn;
- (c) the bid contains an irrevocable and unqualified condition that the Shares may be deposited to and withdrawn from the bid at any time before such Shares are taken up and paid for; and
- (d) the bid contains an irrevocable and unqualified condition that if, on the date specified for take-up

and payment, the condition in paragraph (b) above is satisfied, the Offeror will make a public announcement of that fact and the bid will remain open for an additional period of at least 10 business days to permit the remaining Shareholders to tender their Shares.

11. Competing Permitted Bid

A Competing Permitted Bid is a take-over bid that:

- (a) is made while another Permitted Bid is outstanding; and
- (b) satisfies all the requirements of a Permitted Bid, except that such Competing Permitted Bid contains an irrevocable and unqualified condition that Shares deposited to the Competing Permitted Bid may only be taken up on the later of 35 days after the Competing Permitted Bid was made and 60 days after the date on which the earliest Permitted Bid or Competing Permitted Bid that preceded such Competing Permitted Bid was made, and then only if at such date more than 50% of the outstanding Shares held by Independent Shareholders have been deposited pursuant to such bid and not withdrawn.

12. Redemption of Rights

The Rights may be redeemed by the Board of Directors at a redemption price of \$0.00001 per Right at any time before a Flip-In Event occurs, provided that if shareholder approval is required pursuant to the terms of the Rights Plan in order for the Board of Directors to waive the operation of the Plan, then shareholder approval will also be required in such circumstances to redeem the Rights. In addition, the Rights will be redeemed automatically in the event of a successful Permitted Bid, Competing Bid or a bid for which the Board of Directors has waived the operation of the Rights Plan.

13. Waiver

The Board of Directors, acting in good faith, may waive the application of the Flip-In provisions of the Rights Plan to any prospective Flip-In Event which would occur by reason of a take-over bid made by a take-over bid circular to all registered holders of Shares. However, if the Board of Directors waives the Rights Plan with respect to such a take-over bid, it will be deemed to have waived the Rights Plan with respect to any other take-over bid made by take-over bid circular to all registered holders of Shares before the expiry of the bid in respect of which the waiver was granted. The Board of Directors may also waive the "Flip-In" provisions of the Rights Plan in respect of any Flip-In Event provided that the Board of Directors has determined that the Acquiring Person became an Acquiring Person through inadvertence and has reduced its ownership to such a level that it is no longer an Acquiring Person. Other waivers of the "Flip-In" provisions of the Rights Plan will require prior approval of the Shareholders of the Company.

14. Term of the Rights Plan

If ratified by the Company's shareholders at the May 4, 2015 annual general meeting of shareholders, the Rights Plan will remain in existence until the termination of the Company's annual general meeting in 2018, unless extended upon reconfirmation by shareholders at that meeting. The Rights Plan must be reconfirmed by shareholders at every third annual meeting of the Company.

15. Amending Power

If the Rights Plan is ratified by the Company's shareholders at the May 4, 2015 annual general meeting of shareholders, except for minor amendments to correct typographical errors and amendments to maintain the validity of the Rights Plan as a result of a change of law, Shareholder approval is required for amendments to the Rights Plan.

16. Rights Agent

Computershare Investor Services Inc.

17. Rightsholder not a Shareholder

Until a Right is exercised, the holder thereof as such will have no rights as a Shareholder of the Company.
